Although my mother was carrying my heavy school bag, she gave her seat to the old woman immediately. She felt very happy when the old woman thanked her. My mother has set a good example for me. ## Good persons, good deeds

There once was a man called Wong Fook Wing. He was very helpful and kind. He brought clothes and medicine to the poor children in Yushu Qinghai Province.

On the fourteenth of April 2010, there was an earthquake in Yushu. Wong Fook Wing rescued three children and one teacher, but he was buried by the falling debris.

I think Wong Fook Wing was a good person, because he did many good deeds.

One day, I took the bus to see a show at Shatin Town Hall. An old lady, who was carrying some heavy bags, got on the bus. She looked very tired. However, there was no seat available.

After a few minutes, a woman stood up and asked the old lady to take her seat.

I appreciated the behaviour of the woman. I learnt how to give a helping hand to the others.

## Good persons, good deeds

On Monday, I went to school as usual.

During the recess, I went to the canteen to buy some snacks. Everything was fine that day. After school, I felt thirsty. So, I went to 7-eleven to buy water. When I wanted to pay for it, I found that my purse was not inside my school bag. I returned to school immediately. A school taker was holding a purse, and she asked if the purse belonged to me. I replied “Yes” happily. I thought she was an honest and kind person.

Melody is one of my good friends. She is very helpful. My most unforgettable experience was in PE class.

When we were having high jump practice. I hurt myself and twisted my ankle. It was painful. Melody got hurt too. However she still came to me and helped me to go up the stairs. After I got up to the classroom and settled down, she started to take care of herself.

Melody is a good girl. She's the best person. I've ever met!

## A man in a wheelchair

I have come across a good person before and this person was a man in a wheelchair.

Last weekend, mother and I went home by bus. There were a lot of people at the bus stop. The bus came quickly and all the people at the bus stop wanted to get on the bus immediately! After a long time, I still could not get on the bus. I saw mother sitting in the bus, but I had not get on the bus yet.

Suddenly, a strong hand pushed me into the bus. I was shocked because the person who pushed me was a man in a wheelchair! I felt very respect of him.

Now I think that when someone is in need, we must help. This is a love for everybody.

Ms. Cheng Miu Wah:

This is a well-organized writing! The man in a wheelchair is really respectable. Although he is a disable person, he still likes helping people in need.

NET:

Good use of words and a very different but self-explaining example. Good piece of writing.

## A Brave Hong Kong Man

Wong Fuk Wing was a brave Hong Kong man. He was a driver. Recently, he lived in China for voluntary jobs. Unfortunately, he died in the earthquake in Yushu in China this month.

He went to Yushu a week before the earthquake happened. He worked as a volunteer in an orphanage. Suddenly, there was an earthquake. He had escaped from the scene. However, he noticed that there were still some teachers and students at the scene. He went back to the scene of the earthquake and rescued them. At last, he died.

Although he passed away in the accident, it is meaningful to learn from his sacrifice. Since he was a good example for us to follow, we should remember him always.

Ms. So Fung Yi:

Wong Fuk Wing showed great courage. We are really proud of him. It's a piece of nice work.

NET:

Wonderful work! Very good use of vocabulary and sentence structures. Keep up the good work!

## A lady who is full of kindness

I went to Canada last summer. I saw a terrible traffic accident while I was touring.

It was a sunny day. The sky was light blue and the clouds were as white as a piece of paper. The traffic light was in green colour. Some pedestrians were about to cross the road. Suddenly, a lorry knocked down an old woman. The lorry driver was scared and drove away immediately. The old woman was bleeding. However, no one took care of her. A young lady saw that and rushed to help her. She used her jacket to cover the old woman's wound. I called the police at once. The ambulance arrived soon but unfortunately the old woman passed away. Ruthlessly, the God of Death stole her life.

The next day, I read the news in the newspaper. The newspaper asked the lady why she helped the old woman. The lady said, 'I saved her because I really wanted to help her. I was extremely angry with the passersby. They knew the old woman was dying but still no one helped her. I was very sad because some people are unkind nowadays.'

On the whole, this instance tells me a truth that many people have no mercy on others but there are also some exceptions, for example, the helpful lady.

Mr. Chan Kwok Yin:

An excellent piece of writing. Keep the good work up!

NET:

A very good piece of work. Use of a good example.

## Appreciated kindness

I went shopping with my mother one day. While we were waiting for the traffic light, I felt uncomfortable with my nose. Suddenly, my nose bled. My mother could not find any tissue for me. I was embarrassed because everyone was looking at me.

Luckily, a woman gave me a pack of tissues. I used it at once to stop bleeding. My mother thanked the kind lady. I also appreciated her help.

Although it was not a special deed, her kindness really helped me indeed.

The pack of tissues is tiny, but I can feel her kindness and how important it is.

Ms. Tse Yuen Kee:

Never despise a little kindness in people. It may exert a strong influence on them. Well written!

NET:

Even little acts of kindness can be very meaningful, like we see in your writing. Good use of example.

## A brave boy

One day, when I was on my way home, I saw a robber grabbing an old lady's bag. The old lady shouted loudly at once. At that moment, a brave boy tried to stop the robber and hit him. The robber was angry and fought with the boy.

At that time, everyone was shocked. It was unexpected that the brave boy would help the old lady. Someone called the police, someone just stood there, but one helped the boy. Meanwhile, the boy hit the robber's stomach hard and got the bag. He threw the bag to the old lady. Unlucky, he was hurt by the robber.

At that moment, the police came. They caught the robber and sent the boy to hospital.

Everyone praised the boy. I was proud with him too. What a brave and kind person that I have ever seen!

Ms. Tse Yuen Kee:

This is a piece of well-constructed writing. The boy was brave but it was dangerous. The safe way to fight against crime is to call the police.

NET:

Good writing and use of a different example. Very descriptive and well organized work.
